## **ACKNOWLEDGMENT**

On behalf of team members. I would like to thank everyone who supported my team to successfully complete this eProject report. Especially, our teacher, she has supported us a lot since we started studying at FPT Aptech. With this eProject, she guided us very meticulously, enthusiastically and strictly. With her guidance, we were able to successfully complete this project. Besides, I also want to thank all the team members, each of whom worked hard to complete the eProject in earnest during the month of working together. Finally, our group would like to say thank you to my classmates and family for sharing and creating for the group the best environment to focus on the project, motivating the members to achieve their goals.

## **SYNOPSIS**

Keansburg Park is now prime focus of the city and nation. It is made by Gottlieb groups of companies. The development of this park took 5 years to get their desired finished product. It has become nation pride now. The area of theme park is about 45 acre land. The Management has put all the efforts to keep the attractions operational. The Keansburg Park management wants you to develop the website of the park which should include describing all the attraction of the park and also allow the user to book the ticket online.
